BOASTY.ORG - NFP

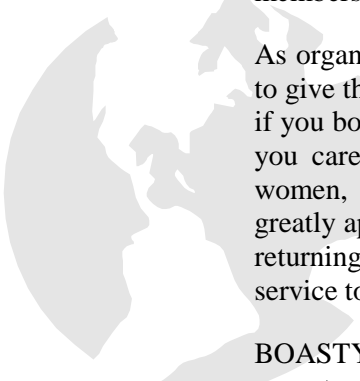

February 1, 2009

TO ALL BOATERS OF AMERICA

For Immediate Release

Let's Thank Our Troops with a day on the water!

BOASTY (Boaters of America Say Thank You) is being organized as a national event to get boat owners across the country to take military service men and women out for a day of fun on the water. This new not for profit organization is the idea of Branden deBuhr, and members from the Bayliner Owners Club Forum website.

As organizers of BOASTY, we are calling on boaters everywhere to take time this summer to give thanks to our troops. It doesn't matter if your boat is large or small, it doesn't matter if you boat on a lake or a river and it doesn't matter how often you boat, it only matters that you care enough to make a difference in someone's life. There are military men and women, disabled veterans, and retired veterans, living in our communities who would greatly appreciate a day of relaxation and boating. Additionally, we have troops that will be returning home from fighting overseas who deserve our thanks and gratitude for their service to our country. BOASTY is a great way to show our appreciation.

BOASTY is all about giving back to those who have given so much for us. It is an excellent opportunity to talk with, listen to and get to know our military while spending a pleasurable day on the boat.

In addition, I am looking for businesses and individuals willing to be BOASTY sponsors to help fund this event. To learn more about BOASTY, view the event dates, sign up as a host or guest, or to make a charitable donation, please log onto www.BOASTY.org.

Our service men and women work every day to make a difference in our lives. You and BOASTY can make a difference in theirs.

Thank you for your interest in BOASTY!

Sincerely,

Branden deBuhr
Founder – BOASTY.ORG

Take a soldier out on your boat for a day as a great way to say thank you! Visit www.BOASTY.org today!
